

# **Privacy Policy – Kompitrail**

## **1. Introduction**

Kompitrail is a mobile application designed for planning motorcycle routes, forming travel groups, and sharing experiences. This Privacy Policy describes how user data is handled.

## **2. Data we collect**

- First and last name
- Email address
- Encrypted password
- Motorcycle data created or managed by the user
- Route data created, edited, joined, or deleted
- General usage data, settings, and language preference

## **3. Purpose of data processing**

- Manage registration, login, and password reset/change
- Allow creation, editing, and deletion of motorcycles
- Allow creation, editing, joining, and deletion of routes
- Coordinate group routes and user interactions
- Improve app performance and user experience

## **4. Legal basis**

- User consent
- Contractual necessity (use of the app)
- Legitimate interest for security and service improvement

## **5. Security**

- Password encryption
- Secure communication via HTTPS
- Measures to prevent unauthorized access

## **6. User rights**

- Access personal data
- Request corrections
- Delete account and data
- Change password anytime
- Request further details on processing

## **7. Data retention**

- Stored while the account is active
- Deleted permanently once the account is removed (unless required by law)

## **8. Contact**

For privacy requests, contact in-app support.
